Historical and ethnographic heritage - part of the sustainable development of tourism in Bukovina. HERITAGE

On May 16th, 2009, the Rector of Yuriy Fedkovych Chernivtsi National University signed the agreement with Ștefan cel Mare University of Suceava for the implementation of the project entitled *Historical and ethnographic heritage - part of the sustainable development of tourism in Bukovina. HERITAGE.*

The project was implemented in the framework of the Joint Operational Programme Romania-Ukraine-Republic of Moldova 2007-2013, financed by the European Union.

Historical and ethnographic heritage - part of the sustainable development of tourism in Bukovina.

HERITAGE

Main results

- creating a register of the objects included in historical and ethnographic heritage;
- creating a basis for effective communication between border residents;
- improvement of the touristic image for border areas through promotion and advertising companies;
- additional investments in infrastructure, which will be achieved as a result of the formation and promotion of new tourist routes.

Historical and ethnographic heritage - part of the sustainable development of tourism in Bukovina.

HERITAGE

Target groups

- 15 travel agencies and operators (owners, guides)
- 20 private companies (owners and employees of hotels, restaurants, farmsteads, creative and art workshops)
- 15 cultural institutions (museums of history and ethnography, culture houses)
- 30 majoring students of higher educational institutions from border areas
